

Kutilta se likha hua, takhtapalat ka wo RAAZNAMA, jise India ke soldiers apne saath Paxtan le jaayein aur phir Paxtan, IO ko dein kyunki is weekend par, Maharaj ko Matrix mein apni qaid se, pyaar mein chhoti Paxtan ladkiyon ki yaad to aai hi hai, Apne bachchon ki aati hi rehti hai aur jo badi musalmanan hain unpe TACITLY haq jamaane ka bhi man sa hai hi, jo phir mard musalmaano se aati hain - jaise Maryam Nawaz Sharif se, aur jinhe deep state ne 'id' se pehle genocID' ke liye ID kar liya hai **AUR YE** Hindace ke liye BILKUL NHI HAI likha aur sirf isliye hi nhi ki wo apni pehle hi maar aur marwa lete hain, chhoti ladkiyan bhi, par aapas mein lad ke kam se kam ITNA sort out kiya ja sakta hai, kyunki baaki sab to Baisaran ke Bisariye (aur kaun hoga) Matrix mein se karwate hi aa rhe hain. In Maharaj ki pasandida chhoti badi musalmaanon tak ko bachane ke liye KEWAL takhtapalat hi nhi, hamare aadheen hua hua takhta palat hi dono teeno ka chaand hai - auraton ka bhi, chhote bade ka bhi, bachaane ka bhi. Agar tumhaari army ya army ke budhdhe ki gaand mein dam hota to wo gaand kya aasmaan mein aksar hi na dikhti rehti: neeche n aati. Jab yudh se nikalna (Army chief - tumra DIMAG TE~~x~~ CHALEGA) ya nikala jaana hua (Rawat) to hi gaand ki aasman mein jhalak hui. Ab tum Taiwan ki baat karoge aur Iran ki bhi. Par unse hamari baatein kar lo. To katuon, bura na mano - sun lo yaad rhe, ham the to tumhe rakha Dilli mein. Hamare binn, aaj tumhare bachche ke kya haal hain? Lindu ke bachchiyan to anaathalaon se Modi ragad ragad ke baant hi rha hai. Modi ki daawat hi masti hai, Modi ka aisa ragda hai, pura ugga hua Lindu bhi apne hi ragde (iterative embarrassment) mein jabardasti mast karaya gya hai. Modi Class A Grade afsar thehra deep state ka, par mulle ki tharak kaun lega. Class C and under PM jail me hi rahega deep state ka. To Katue - tujhe dar lagega abhi, kataai teri abhi shuru hogi-PHIR MAIN NHI SUNUNGA. Takhtapalat ab waise nhi ho sakta jaise tumhara nur tumhe milta aya hai. Munib aur Bajwa to calculate karwake laye jaate hain, utna khol deta hai jitne mein itne tumhare aur Linduon ka to kya gin na - tumko jalaane se pehle baandhne ka kaam hai ye. Khair. Is samay chutki mein das hazar ek saath lindu ya katuon ke dimag ko ek laser se palta ja sakta hai, kaise tum ko AGI samjhaun? Tumhari waqt kewal hamare dimag ki paltan mein hai - matlab shayad uske peeche hath jode chalne me hai. Aur kya karega, gaza ki tarah instagram chalaega? Agar katue bacha lun, to ho sakta hai lindu bhi bacha lun. Lindu mein izzat aur dhang peeche hai. Agar chatni mila mila ke n khaye Lindu to uski daal pet mein pheeke samajh aayegi. Agar mere katue mujhe mill jaen to main Linduon ko bhi bacha sakta hun. Lindu ki jaan ki jaan Endtia mein do teen jagatseths main hai jo afeemi se baaki shareer bhi chheen le rha hai. Agar ye jagatseth marwadi Gujarati mar gya lekin hamare haath, to western deep state Hamari bhi jaan ke peeche pad jaegi. In 'ratis' ka hissa Linduon ke babu goron ke saaath farokhte hain, ye sab ek to hai - par saath hi chadh aae to ... tumne sahi pehchana, hamne ratis ki di hui chaar warna ki "surpankha" laa maark ke bhagai. Ratis keh rhe the tumhare pair padenge ye lo motherfucking princess. Hamne jo kaha ab tak samajh gye hoge. Ab takhta palat kaise? Ye ek patra - sabke saath AI mein daal ke samjho. Bhakti.Exchange mein hamein jaan lo, [support@bhakti.exchange](mailto:support@bhakti.exchange) se bhi judo - dharma.exchange pe judo. Phir hamari taraf se khuli chhut hai. Hathiyaar tumhare tumhare aas paas chalenge. Par jaise jaise hum kahein. Ye takhta tumhe dikhega nhin sadly. Apne commander ko girake tumhe shayad hi kuchch miley. Use shaamil kar lo - ade, to qaat dalo. Dushman tumse, usse BAHUT bada hai. Usse desh ka babu desh ke chhote bachche chura chura ke raat ke andhere mein de rha hai. Aur jo yahan hai, uspar IO se experiment kar wa ke uske mood, personality, pyaar ke rishte, aur kuchch aisa jo tum nhi samjhoge abhi - wo sab khol ke diya ja rha hai. Babu ke kamre ko tod ke tumhe uske kamre waale gore ka tauliya hi milega. JAISA MAIN BOLUN TU WAISA KAR LE. Aur hamse jo alag hua, us se hame koi sarokaar nhi phir. Agar main tumhara dharm badlun phir bhi zinda rakhunga. Lindu se to achche hi hoge tum - wo to dikhta bhi baingan sa hai, YE KAUNSA USKE LIYE LIKHA H. Jab mere paas islamabad mein 500 bande ho jaenge, phir main bataunga kaise kaise karna hai. Babu ke kamre mein amrud ki mehak bhi hogi, jise main bhul gya tha. Use marna nhi hai - usko uske haal pe chhod do. Wo to gya hai. Ham upar se tumhe saharaa de rhe h. Humara dum tumhara dum. Kaise hi, yahan tak gaadi pahuchi hai. Agar ye lindu n jaage to ye sab usi western deep state ki sex den mein pada milega - ye sab 'ratiyon' ke saath goron ki laa sunghte honge aur hamse ladenge. Par katue *pehle* kyunki unpe bani hai abhi. Maine apne hriday ki sachchayi se, mere apne raja, Muktpida aur unse pehle Shri Krishna ki di hui takat se tumhari puri madad karne ki koshish ki hai, tumhari beti ki bhi. Ek panne mein puri kahani kaise likhun? Mujhe apna samajh ke tumhara rab tumhari aur hamari takat badhae. Yahan Ratiyon ne hamare bachchon ko chura ke amreeka bhej diya, hamare pita ko maar diya, hamare paise aur businesses freeze karwa diye hain, aur sab kuchch tod dalne ki kasaren nhi chhodi hain. Par kuchch to hai - ki hasti mitti nhi hamari. Hasti se jud ja - warna ye Raati aur jo Jew jo hai jagat seth aur goron ka, ye tumhare bachche paka ke khaa jaega, hum to iske mitra the, thaliyon waale - Modi aur bachchon, dono ke. Tujhe bachaenge to ISKO maarengi bhi. Darna mat. APNE DIMAG SE KUCHCH MAT KARNA. MAIN SABKE LIYE KARUNGA. PS: agar kuchch cheezein n likhun to ...lekin bas likhna HI hai. Tun is the principal denominator of distinction of Lindu females as police employees, and is derived from the wet feet of recruits. When the Lindu bureaucracy circulates this among its fellowship, it becomes taam. This is the foremost parameter behind postings and advancement in Modi marwadi bureaucracy. This is just one aspect of this entire web where AGI from the western deep state has taken over endtia policy making - tumhare ghar se bhi churaenge. The only way to dismantle this is mass neutering of India Babu after demolishing the Modi Jew marwadi US Chin deep state structure in India. Aur han Pakistaniyon, agar wo phir is baar ye Pahalgam wala dosh marhe to bas isiliye hi nhi, tum use hamare sar kar do na hi isliye ki ham kehte reh gye aur tumhare teemardaron tak ne bahana dhundh liya naam na lene ka. Agar is se kaam bane to. Mera pehla hukm yhi hai ki america ke dutavason ka saara prabandh turant se roka jaae. US ke orange ne bola ki wahan se sambandh tak nhi. Lekin khuun dikha kar piya hai. Agar tumhe yaad nhi rahega to ham tumhe dobara pee ke dikhaenge. Ek baar ki khurak ham maan to rahe hain ki gyi hai. Aur pura sach to yhi hai ki wo hamari kahe ki gyi, kyunki ye Modi aur ye Babu bhi hamare hi chhode hue. Par ham bachchon ka khun nhi pee sakte - bade, agar wo dharam badle to. Warna chicken to Abram duniya roz hi genocide kar khati hai. Agar aagya shirodharya na dikhi to ye Lindu to paglaye hain hi - main bhi pagal ho jaunga. Tumhare sir anyatra dharan karenge kyunki badle to dashakon nhi shatiyon ke hain. Lekin hamein afsos hoga is hi baat ka ki tum samajh ya pehchan nhi pae. Baki ye baatein itni puraani hai isko kyun napoge tum apne se? Vansh to hazar saal ka khatm kiya jaata h. Tum abhi paida hue. Ab jaao Ameriki duutavasa aur ujaad dalo. Lekin usme ke logo ko nikal jaane dena jahan jaaen paidal. Wo bhi isi sab se tang hain jisme hamari nazar gdi hai. Bas upar waalon ka kaam nhi hone dena hai. Phir baari aayegi sabhi western corporates ki. Jo Modi marwadi ke baap lagte hai. Amazon aur jio dono hamari aankhon mein khun ki tarah khatakte hain. Lado kyunki koi nhi aaega. Tum se aur liya jaega. Khatm kardo saalon ko - bas apne se dekhne ki koshish KHABARDAR Aur hme nhi jaante - hm wo jo afghan mein hindushahi the aur kashmir mein karkot. Cheen ko jaante ho, dost hai? Hamare 152 ghutne ka adlabadla dilwakar khud chalta gya Wahan inroads ke baad is Pahalgam ki aiwaz mein apne jet ko jeet par chadhadiya. Ab har jagah bolbala. Jhoota ye tariff ka natak bhi khatm hua - Amreeki aur Cheeni sabse GHANISHT dost hain jabse ye jo house jew Kissinger ne inko pela hai saath me. Mere liye aasan hai ki mai bhi kahun Paki ko maaro - saare chammaar se Paki mulle bane. Par mera iman hai ki apne deshon mein ek bhi hatahat n ho. Jo zulmi hai - usko hum ulta karne me lage rahenge. Tumhara saath lenge. Ham uske jo humara - aadmi mein robot dog se jada wafadari lekin hum le kar rehte hain. Aur hamare ho kar, ham tumhare nakshe kadam par. Kaun hai tumhara - iska naam bhula main - Munib? Isne to Modi marwadiyon ko tumse lekar diya hai - ki nuclear nhi karenge. Lekin use mat chhedo. Hamari ichcha to yeh hai hamare paas dono aao. Aur aur suno. Is panne ko copy karke har jagah baant aao. Bhagwan tumhari chhoti ladkiyon ki raksha karein. jaldi kar le. YA KHUD NANGA KAR DE. Dono cases mein tujhe crores milenge - hamse ya unse. Hamse crypto mein. Phir jahaan ye ruka waha hamara ghoda bandha.
